Feedback received from Weddings

Crowne Plaza has made our wedding from good to the best party we ever wanted to. It went like an emotionally charged ceremony full of love and commitment. As it is said a great start is half the job done. so we started our new journey with the most colourful , romantic and happening evening anyone has ever seen. Kudos to Crowne Plaza and its team !!

Friendly staff, Brilliant Service.

We stayed in the hotel In January 2016 and had booked more than half the hotel for a wedding. We were a little spectacle in the beginning regarding the food and the services from the hotel because it was a newly opened Hotel. But i would like to mention here that the hotel and the services are Brilliant. We stayed in the hotel for 3 nights and faced no problems at all. The Check in Check outs were smoothly done for all the guests. The room service was brilliant and quick considering the hotel was fully sold out. The Food for all the events were outstanding. The staff are friendly and are very cooperative. Would like to specially thanks Miss Swati Rathore and Mohit Ji for their extreme hospitality and cooperation during the entire event.

I would recommend this hotel for any type of corporate or weddings to be held in or around Jaipur.

Had our wedding at the hotel and cant praise them all enough for their superb service from day one. All staff more than happy to help and gave us truly special days to remember. We are so glad we chosen this venue and cannot thank them enough. Nothing was to much trouble and always easy to get in touch with hotel for any questions regarding wedding . Fantastic venue!. We stayed in the hotel for 3 nights and faced no problems at all. The Check in Check outs were smoothly done for all the guests. The Food for all the events were outstanding. Would like to specially thanks Miss Swati Rathore her extreme hospitality and cooperation during the entire stay.

I will be visiting the hotel more often and will most definitely recommend to all.

Thank you
