With a culture and natural landscape as vibrant as its history (it was once declared a “pirate republic” by infamous pirates Charles Vane, Calico Jack Rackham, "Blackbeard" Edward Teach, Anne Bonny, and Mary Read), Nassau is The Bahamas’ crown jewel. With a booming Downtown District, Nassau makes for some wonderful on-land entertainment. The beaches are its signature attraction, however, with the likes of Cable Beach at its helm. Turquoise waters boast the best clarity on the planet with a visibility of over 200 feet!
